

JASNA-CT Region offers a hands-on workshop
led by Kandie Carle, Sunday October 18th from 2-4:00pm via Zoom

Jane Austen Needle Case

Join Kandie via Zoom meeting to construct a replica of the needle case in the collection of the Jane Austen House Museum, Chawton England.

Upon registration, you will be sent an email with the materials to collect prior to the workshop, along with the template design. This is a very simple project made from cardstock, ribbon, lightweight felt or flannel fabric, colored pencils, watercolors or pens & scissors... that's it! Registration is limited to 15, first come first served!

This is a free workshop, and will be presented via Zoom, so you are encouraged to familiarize yourself with the Zoom platform, if you are not already. A couple of days before the workshop you will be sent the link to join the meeting.
